FAST TRIAL FOR THE DERBY

COLSTON WORKS PROMISINGLY AT COURSE OF THE NEW LOUISVILLE JOCKEY CLUB.

Round the World Seen Under Saddle, but No Speedy Work Is Required of Her-Markie M. for

the Kentucky Endurance Stakes.

Louisville, Ky., April 19.—Colston, a maiden candidate for the Kentucky Derby and a stable companion of Silver Brush, worked the fastest mile trial of any of the Derby horses at either of the local courses today. His time for a mile and an eighth was 1:59\(\frac{1}{2}\), He went the first half mile in 51\(\frac{1}{2}\), three-quarters in 1:18 and the mile in 1:43\(\frac{3}{2}\). The last mile was covered in 1:46\(\frac{3}{2}\). The track was good. Trainer Colston was signalling the rider to stop the colt in the final eighth. Apparently he could, have run much faster. None of the other berby candidates quartered here worked better than at a two-minute gait. All were under saddle. The favorite, Round the World, looked to be in her insual splendid condition. The fastest trial at either Churchiil Downs or Douglas Park so far this season was run today by Pat Dunne's slashing three-year-old, Sebago. He went three-quarters in 1:15\(\frac{1}{2}\), pulled the best two-year-old work was by Peter Wim-

up. Through the last quarter he was only cantering.

The best two-year-old work was by Peter Wimmer's black filly, Beautiful. She went a half mile in 52. This one is a half-sister to Albert Star. Other good work-outs were as follows:

The Fad—Five-eighths in 1:033. Is going along nicely and looks well.

Crowley—Half mile in 53, cantering. Nearly ready to race.

Golden Pearl—Three-quarters in 1:223. Coming along nicely.

Sam Barber—Half mile in 53. At his best, Polls—Three-quarters in 1:20, Seems in grand shape.

along nicely.

Sam Barber—Half mile in 53. At his best.
Polls—Three-quarters in 1:20. Seems in grand shape.

Ed Morgan—Half mile in 51, A likely three-year-old maiden.

Maezie—Half mile in 54, handlly.
Henry Walbank—Quarter mile in 25. Is speedy. Cynosure—Half mile in 52, cantering. A smart two-year-old.

Pilatn—Half—mile in 52, cantering. A smart two-year-old.

Pilatn—Half—mile in 52, cantering. A smart two-year-old.

Pilatn—Half—mile in 51, Golden Pearl is now the property of Wayne Joplin, he having purchased the horse from Tom Shaw.

Mr. Joplin this spring has the largest stable he has ever had at the Downs. His partner is Neil Enright, and they have a dozen racers. The others in the string embrace Tony W., Parkview, Elizabethan, Little Dutch. Maezie. Eglantine. Robert Bruce, Mother, Eland, Agawam and Orena. Mr. Joplin's old campaigner, Oiseau, has quit the turf for all time. He is now in Mr. Joplin's stud near Elizabethtown. Mr. Joplin thinks Oiseau will be a good sire.

Jockeys T. Koerner, Aubuchon, Pickett and Morrison are connected with the Joplin stable. Everymorning these riders exercise the Joplin racers.

F. W. Doss is coming from California where he went at the close of the Juarez meeting.

The jockey colony has been increased by the arrival of E. Denny, a California rider, who will be connected with the stable of J. L. Brown.

Trainer W. J. Speirs is interested in the proposed endurance handicap, the four-mile race suggested by Maj. F. A. Daingerfield of the Kentucky State Racing Commission. Mr. Speirs thinks that in Markle M, he has one of the best long-distance performers in training and is willing to enter him in the race at almost any entrance fee. Markle M. won the Waterhouse Cup at Oakland last winter.

Col. M. J. Winn, general manager of the New Louisville Jockey Club, has returned from a trip to San Francisco, Portland. Seattle, Victoria, Vancouver, Winnipeg, St. Paul and Chicago., his journey beginning at the close of the 110 days race meeting which he managed during the past winter at Jua changes, including the installation of twenty-one new parti-nutuel machines, work a wondrous change. Every machine is ready to be tested and this will be done tomorrow. Everywhere I heard favorable discussion of the class and prospects of our approaching race meeting here. Out in California there is keen interest and this extends into British Columbia. Clarence Waterhouse, A. B. Spreckels and Thomas H. Williams are planning to come from San Francisco to witness the running of the Derby. Barney Schreiber assured me he would win the Derby with Captain Carmody. The pari-mutuels are growing in favor everywhere and the system will become general. Beginning next month Victoria and Vancouver will have racing and each of these tracks will use ten pari-mutuel machines. This system of wagering will also be used in other parts of Canada, including the high-class meetings of the Ontario Jockey Club at Toronto."

FOREIGNERS IN THIS YEAR'S DERBY.

There are elements of uncertainty connected with the forthcoming contest for the blue riband, not the least important of which is as to what may be the ultimate policy of Edmond Blanc, who has no fewer than half a dozen engaged, namely. Zebre, Shetland, Conrtisan, Favonio, Manzanares and Lord Burgoyne. It happens that we have no giants in the land on this occasion, or, at least, none that we know of at present, and, perhaps, never was a more favorable opportunity for a successful French invasion. So far nothing but misfortune has attended his laudable and plucky efforts to take the great race, which, curiously enough, has been won once only by a French horse. Gladiateur, to wit, and that was as long ago as 1865, when he not only won the Two ending the Grand Prize of Paris, for all of which he was trained at Newmarket by the late Thomas Jennings. It may well be that the time has come to avenge the several vexatious defeats of Gouverneur, by Common, Vinicius, by Rock Sand, and Jardy, by Cleero, and presumably the attack will be made by Schomon, Vinicius, by Rock Sand, and Jardy, by Cleero, and presumably the attack will be made by Schomon, Vinicius, by Rock Sand, and Jardy, by Cleero, and presumably the attack will be made by Schomon out of Lady Burgoyne. Should fortune favor the first named the triumph will be French complete, but not so in the instance of "his lord-ship," who, it is scarcely necessary here to say, is of purely English pedigree. These are, moreover, not the only strangers to be considered, for in Iron Mask Joyner has in charge for H. P. Whitney a very nice horse, by Disguise out of Royal Rose, bred by J. R. Keene, who may himself be represented by another colt of promise in Runnymede, by Voter out of Running Stream (winner of the Newmarket and Bede, a great big good-looking chestnut colt by

KENTUCKY DERBY AND OAKS ELIGIBLES

The two main events of the approaching spring meeting of the New Louisville Jockey Club, the Kentucky Derby and Kentucky Oaks, are already topics of discussion in turf circles and promise races worthy of their long establishment and high reputation. In comparative importance the Derby excels the Oaks and, despite the excellent form already shown this year by Round the World and Governor Gray, is not by any means conceded to either of them by owners of other eligibles. To furnish something worth saving for reference the complete list of eligibles to each race is here presented:

Adam out of Grace Gumberts, to be trained by Cannon, and his coming had been preceded by that of The Spy. br. c. by Disguise out of Semper Paratus, purchased by L. Winans from his nominator, J. E. Madden. All these four last-mentioned were bred on the far side of the Atlantic, and there seems therefore the probability of America being well represented in the great race at Epson, which was won by their countryman, Iroquols, for the late Pierre Lorillard in 1881, after a thrilling race with Peregrine,—"Vigilant," in London Sportsman.

HORSE VALUES GAIN IN AUSTRALIA

The real reason why buyers for India go to England for short-distance horses is that the average sprinter in England has more pace than the Australian, and can be bought for less money than Australian owners will take for the kind of sprinter Indian buyers want. The fact is, prices have advanced more than fifty per cent, with us during the last few years. A horse that was considered well stated when the state is now worth \$5,000. Increased stakes and general prospectly have brought about this change. Any horse that can win a race is a payable property. Apart from what the A. J. C. V. R. C., and V. A. T. C. are doing for the best horses, there are now regular payable stakes to be won in South Australia, West Australia and Queensland. It is only the second-class sprinter England. The Viceroy's Cup horse must still come England. The Viceroy's Cup horse must still come far between in England, and when found they are retained, or, at any rate, not sold except at continental or Argentine prices. A horse good enough to beat Highborn, Great Scott or Fritz-Grafton in a Viceroy's Cup would, we should say, cost at least continental or Argentine prices. A horse good enough to beat Highborn, Great Scott or Fritz-Grafton in a Viceroy's Cup would, we should say, cost at least then the same time as Carbine, and a good data data date than the cracks of the seventies or eighting the state of the same time as Carbine, and a good deal faster than the cracks of the seventies or eighting the same time as Carbine, and a good deal faster than the cracks of the seventies or eighting the same time as Carbine, and a good deal faster than the cracks of the seventies or eighting the same time as Carbine, and a good deal faster than the cracks of the seventies or eighting the control of the Australian Horse."—Melbourne Australsian.

GOSSIP FROM BLUE GRASS REGION.

Lexington, Ky., April 19.—Rain fell steadily last night and the Kentucky Association track was muddy this morning. Intermittent showers today made the going sloppy this afternoon. Many horses, however, were worked. The best moves noted were:

C. L. Harrison's Breeders' Futurity candidate, Bonanza, from the stable of W. J. Young, a half mile in 523, impressively.

G. P. Chinn's Joe Knight, likewise a Futurity eligible, a half mile in 55, casily.

Goode & Denman's Manager Mack, a Raceland Stakes eligible, a half mile in 53, handily.

Cateshy Woodford's Bertis, a Blue Grass Stakes candidate, a half mile in 53, handily.

J. G. Greener's Countless, which will start in the Phoenix Hotel Handicap, three-quarters in 1:21, easily.

Mose Newman arrived today from Sweetwater, Tex., with the two-year-old Closer and the three-year-old Uncle Ben, John E. Madden has returned from New York and is at Hamburg Place.

J. S. Hawkins has turned Wing Ting over to trainer Jack Baker.

The program book for the Kentucky Association's spring meeting will be distributed to horsemen to-morrow.

ONE OF J. R. KEENE'S PENSIONERS.

Old-timers, horsemen who raced thoroughbreds back in the days of the Civil War, will be interested in a recent charitable movement of James R. Keene. "Uncle" Sam Walker, en interesting character of the old school of the negro race, has been pensioned by Mr. Keene. The faithful old darky, now seventy-five years old, served under Major Daingerfield at the Castleton Stud at Lexington for many years, and despite his age yearns to be back at his work of handling juvenile racers.

He points with pride to a picture of the mighty

Salvator hanging on his wall, and recalls the day he led the handsome chestnut son of Prince Charlie forth in 1885 and won the blue ribbon at the fair when the colt was a suckling. He proudly tells of Salvator's many achievements on the turf, especially the mile record of 1:354 accomplished at Monmouth, N. J., more than twenty years ago. Back in those days the old man cared for Firenze, the queen of the turf; pry Monopole, Monitor, Tremont, Ben Ali and other famous horses.

The fact that Mr. Keene retired him makes the old man happy, and in speaking of it he said:

"I sure did take good care of them colts and fillies, and no one was happier than me when Majah Dahgerfield would say, 'Sam, we won another race in New York yesterday.' You see, son, I helped to raise St. Cloud, Disguise, Cap and Bells, Delhi, Sysonby, Colin, Conroy, Celt, Ballot, Peter Pan and many others, but I am done now.

"I never thought I would ever live to see racing dead in New York, but city folk like Governor Hughes don't appreciate a good horse, a man's best friend. Yes, sonny, I'm gong to see the races on the opening day at the old Lexington track, and say for me Mistaik Keene is a fine man."

DISCUSSING PLANS AT ALBANY.

Albany, N. Y., April 19,—Governor Dix and Senator Brackett, the minority leader in the Legislature, are to have a conference concerning proposed racing legislation, it is understood. Senator Brackett is quoted as being of the opinion that the directors' liability law can be satisfactorily amended by laving race track officers to enforce the law appointed and removable by the governor, attorney-general, state comptroller or some other state officer, the salaries of the officials being paid by the race track associations.

Senator Brackett is also quoted as saying that he believes that the present provision of law defining bookmaking could be amended so as to make it less stringent and still practically as forceful as the present law. When the law was enacted there was a strong difference of opinion, he says, as to just how bookmaking should be defined.

VANDERBILT HORSES FIGURE IN RESULTS.

Paris, France, April 19.—W. K. Vanderbilt's horses placed in four races at Maisons-Laffitte today. His Express won the Prix des Gresillons, selling, for three-year-olds, of \$600, distance one and five-sixteenths miles. In the Prix de la Rablais, of \$1,200, distance one mile and four and a half furlongs, Negofol came in second. His Brume finished second in the Prix Penelope (Produce stakes), for three-year-old fillies, \$8,400, distance one and one-quarter miles, and his Messidor III, was second in the Prix de Moulins La Marche, a handicap of \$1,000, distance one and one-eighth miles.

PENSACOLA CARD DECLARED OFF.

Pensacola, Fla., April 19.—Heavy rains which began shortly after the noon hour was responsible for the declaring off of today's racing, as the filmsy constructed plant here would have afforded scant shelter to any one inclined to witness the racing. A new card was made up for tomorrow's racing. There were several departures today of horses for Salt Lake City. E. Cottrell shipped Bat Masterson to Wheeling, W. Va., to be campaigned on the "bush" circuit.

Several of the jockeys here are rebelling against the lower scale of riding fees in vogue and will probably discontinue riding.

NOTES OF THE TURF.

J. E. Otto has arrived at Churchill Downs from Juarez with Jeanne d'Arc, Chemulpo, John Robert and Sayville.

and Sayvine.

W. O. Parmer is reported to have a fine lot of yearlings, principally by The Commoner, at his Edenwold Stud in Tennessee.

C. L. Jones has withdrawn from the combination of layers at Pensacola and Messrs. Smith and Colby will conduct the ring during the rest of the meeting.

INVESTIGATION BEARS FRUIT

RULINGS DIRECTED AGAINST OWNERS AND JOCKEYS AT NORFOLK TRACK.

Jockeys L. McCabe and Byrne, Owners C. C. Smithson and A. J. Walser and the Horse Tom Melton Involved in Action Taken by Officials.

Norfolk, Va., April 19.—Frank J. Bryan, the Jockey Club's representative here, was active following the Stinger-Besom race of yesterday and as a result of his investigation, several parties have been placed under the ban so far as this meeting is concerned. Besides suspending jockey L. McCabe, he recommended that the further entries of all horses either under the care or management of Nat Byer be refused during the meeting; also that the entry of the horse Tom Melton be refused, and that jockey Byrne be refused permission to accept mounts during the remainder of the meeting because of indifferent riding. Byrne is an apprentice who sprang into great favor during the latter part of the Moncrief Park meeting. He is under contract to Captain P. M. Walker, a clean-cut and admirable sportsman who is racing a small string here, Manager Bob Levy also took a hand in the house cleaning and owners C. C. Smithson and A. J. Walser were asked not to race here any more. They were also told that their presence on the grounds was not desired. Entries from both stables, will, however, be accepted during the remainder of the meeting.

Jockey Guy Burns, who only got up today after a five-days suspension, was again suspended, this time for the remainder of the meeting. Burns' of ense was rough riding. Burns had the mount on Thirty Forty in the second race and it was claimed that he was at fault for the accident which resulted in Jockey Warrington being unseated from the Belmont youngster, Nickle. Orphany also suffered from the Interference, McCahey being compelled to pull up.

As to the racing itself, it was tame and uninteresting. Two favorites managed to win, the success.

mont youngster, Mickle. Orphanry also suffered from the Interference, McCalney being compelled to pull up.

As to the racing itself, it was tame and uninteresting. Two favorites managed to win, the successful choices being Plate Glass and Chepontuc. Plate Glass simply cantered in front of his field in the handicap feature race of the afternoon, for which he was a 3 to 5 favorite. Chepontuc also made a runaway affair of his race.

There was a wild plunge on Orphanry in his race and, after he was knocked out of it at the start, he was unable to improve his position at any stage of the running. The Belmont youngster, Overman, with the stable apprentice Madelra in the saddle, ran a good winning race. He moved up on the outside with a great burst of speed in rounding the far turn and at the finish he was only cantering.

The only close finish of the afternoon came with the running of the third race, in which Royal Onyx under a rousing good finish by Guy Burns, managed to get up in the closing strides to beat Mon Ami a neck.

A drizzling rain fell all afternoon, but it had but little effect on the truck the going remaining in

to get up in the closing strides to beat Mon Ami a neck.

A drizzling rain fell all afternoon, but it had but little effect on the track, the going remaining in fairly good condition. The attendance was again large and speculation was brisk.

D. F. Kinney purchased the two-year-old filly Norma Girl of J. Pontius yesterday.

Application has been received by the chairman of the Hunts Committee from the Country Club of Farmingham, Mass., for a day's racing on July 4. The club has one of the best steeplechases courses in the country, one of the jumps being a Baden Baden affair, in which the steeplechasers are required to swim a broad stream.

RECORD OF A VETERAN RACER.

Mamie Algol, whose racing career has been terminated by an accident at Lexington, was a racer whose usefulness extended beyond the ordinary limitations. She did not race as a two-year-old. It was as a stayer that she achieved her principal reputation, her forte being long distance racing. The record of her achievements is shown in the following tabulation:

RACING MEN GET HEARING IN FLORIDA.

Tallahassee, Fla., April 19.—The Florida Senate yesterday unanimously passed the anti-race track bill. In the House, a motion to recommit a similar bill in order to give a hearing to all interested, was carried by a vote of 34 to 30. The hearing is announced for tonight. The president and secretary of the Florida Live Stock and Agricultural State Fair Association are here with strong advocates of racing, doing what they can to defeat the bill. If the House can be induced to pass no new racing legislation, the association will fight for a continuation in the courts by attacking the act of the last legislature voiding its charter after April 1, 1911.
